**Join fellow lacemakers for a day devoted to
making lace and enjoying the fellowship of lacemakers.**

♦ **TORCHON BEADED BOBBIN LACE BRACELET:** Tonya Little will be teaching the same bracelet class that she taught for the I.O.L.I. Convention. Using basic Torchon skills, this class is suitable for beginner to advanced lacemakers. This pattern allows you to create an elegant bobbin lace bracelet that is quick and easy to finish. The class kit is \$10.00 and includes a pre-pricked pattern, bracelet clasp, and beads. You will need one spool of DMC's Diamant metallic thread. If you only wind 1 yard per bobbin, then only one spool is needed. Prerequisites: Basic Torchon skills. The kit will be \$10 payable directly to Tonya.

• **Supply List:**

16 bobbins wound in pairs (8pairs) with 1 yard (or 1 meter) of DMC Diamant metallic thread on each bobbin

Pillow of your choice

Lace pins, 0.5 mm work well, any length is fine

Fine scissors

Sewing needle with a larger eye for sewing on the clasp

#15 crochet hook (very small for putting on the beads)

Any basic lacemaking supplies that you find helpful

- Optional: beading needle (big eye, flexible needle that opens in the middle)
Pattern, clasps and bead options will be provided in class as part of the kit.
- Pre-class Preparation: Wind bobbins in pairs with at least 1 yard on each bobbin. One spool of Diamant metallic thread has 35m /38.2 yds so one spool should be enough for all 16 bobbins.
- If you have problems with the metallic thread unwinding from the hitch, you may use O-ring bobbins, small mini hair claw-style clips, or use a triple hitch to secure the threads on your bobbins. I will bring examples of O-ring bobbins which are special bobbins with a small elastic ring at the top to help hold the thread instead of a hitch. I will also have some mini hair claw-style clips if you need to borrow some.
- ♦ **SASHIKO CLASS:** Elizabeth Hipps will teach a beginning and continuing Sashiko class. The kit will be \$10 payable directly to Elizabeth.
- ♦ **SASHIKO LECTURE:** Elizabeth will present an introduction to Sashiko lecture just after lunch.
- ♦ **GOODY BAG:** for first 20 registrants
